

RAILROAD PARK RAMBLE FOR

What: park your car – then walk, run, bike, rollerblade, skateboard ... from your chosen spot to Railroad Park, tell us about your ramble and enjoy the Park

When: 10/10/10 – Sunday, October 10, 2010
from 1-3pm with Rally and group photo at 2:30

Why: our new railroad park is awesome, moving yourself is great for your body and the environment and you'll share walk/bike audit information important to [Our One Mile](#)* - the Greenway Master Plan

Who: You – and all your friends - and pets on a leash

Extra: 10/10/10 is being celebrated in many thousands of places in over 160 countries as a 'Work Party for the Planet'. We can show we care about ourselves and others by protecting our air and our climate.

By choosing to self-propel and helping pick routes to the park you'll stop your automobile exhaust for a while, help build community through walkable/ bikeable connections ... and have fun in the process.
